6) It is stated that the difference is due to the omission of the Cost of the Wash Grape indicators, W Lose Cannot exact Cost Cannot be estimated and but will depend upon the Prices at the time of Supply of the machinery.

7) It is further stated that the supplying firm is now demanding a 10% increase in the rate The total Cost of the machinery would therefore be Rs 4934 instead of Rs 4560/- which was the former quotation of the firm

It appears that orders have been placed for the same thro the Secy, S&C As there was no other alternative left. As the Cost is within the provision sanctioned in the estimate, the Dev of P H requests sanction to the purchase The proposal is for orders

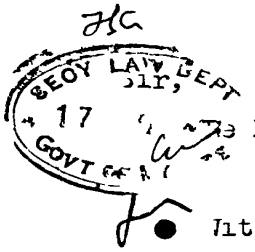
To

The Secretary to Government,

Law Department, Bangalore



Sir,

Re Purchase of two effluent controllers for the filters at the Mysore Project Works -

With reference to your D O letter No L 150 dated 7th July 1942 re details of the purchase of the above controllers for an aggregate cost of Rs 4940, I have the honor to state that the Sanitary Engineer in his letter No 133 dated 23th July 1942 intimates that the firm, Dewell Filters Ltd , Calcutta have now demanded 10 extra over their previous quotation, according to which the total cost will be Rs 4934 as follows -

1) Two 6 M G type adjustable effluent controllers, complete with slow start device and bed level cut off, capable of treating a flow of 9,000 gallons to 15,625 gallons of water normally - Rs 1390 + 10% each	Rs 3058
2) Two 6 size inflow regulators, comprising butterfly valve, links, spindle, & float etc , complete Rs 580 + 10 each	Rs 1276
3) Two Nash gauge indicators with clock work, dial, chord, and pointer - Probable figure Rs 600/- since the firm states that they should be paid billing prices - (Vide copy of letter enclosed)	600
	Rs 4934

A statement showing the provisions for the above in the sanctioned estimate, the previous rate and the present rate is enclosed herewith for the information of Government

The Sanitary Engineer has addressed the Secretary, Stores Purchase Committee, to communicate acceptance of the increased rates to the suppliers as there is no alternative

As the amount involved is well within the provision made in the

in the sanctioned estimate, I request you to be so good as to obtain and convey sanction of Government to the purchase of the above effluent controllers at a total cost of ₹ 495/- subject to increase or decrease according to the price of wash gauge indicators etc for which an approximate amount of ₹ 600 is included but for which the firm is to be paid at billing prices

A copy of the Sanitary Engineer's letter referred to above is also enclosed for the information of Government

I have the honour to be,
Sir,
Your most obedient servant,

DIRECTOR OF PUBLIC HEALTH

Subject - Purchase of effluent controllers for the filters at Kathral Project Cr's -

--

With reference to your memo No 72-13 dated 15th July 1942 forwarding for report copy of letter No 150 dated 7th July 1942 from the Secretary to Government General and Revenue Secretariat Bangalore, to your address, requiring certain details with regard to the cost of the materials referred to above, I have the honour to state that, since writing to you for sanction to an amount of Rs 4,040/- I have received a further communication from the firm of Jewell Filters Co Ltd, Calcutta (copy enclosed) with whom orders for the supply were placed, wherein they require to be paid 10 extra over what they previously quoted for the controller and the regulator as there is no alternation but to accept the quotation due to present day conditions, I am requesting the Secretary Stores Purchase Committee, Bangalore, to communicate the acceptance to the increased rates A statement showing the provisions on this account in the sanctioned estimate of Kathral Project and the cost as per revised quotation in respect of each item is appended for kind information According to it, the cost works out to Rs 4,934/- and sanction may kindly be conveyed for this amount

As regards Wash Gauge Indicators, the firm in their quotation did not specify any prices but stipulated for the payment of Selling prices Hence a sum of Rs 600/- i e, Rs 200/- over the amount provided in the estimate as Rs 400 the approximate Selling price was provisionally taken for the purpose of obtaining sanction to the purchase What actually will have to be paid on this account will depend upon what the current prices will be at the time of supply

Yours
